## Afghan Refugee Family Activities and Accomplishments

It's been almost six months now since our family arrived. First and most importantly, Zarin, the dad, has a job at Walmart working nights. He reports being comfortable working there. When we see him, he is all smiles and looks more relaxed as the burden of supporting his family of 11 has lifted slightly now that he is working. Next great news is that we have procured an attorney for him and his family. The attorney is now working on getting the family members legal residence and the much-desired green card. Since Zarin came here from Afghanistan with some very important documentation this project may not be as long as anticipated. The attorney seems quite optimistic. Zarin knows that this will take time, but now that the process has begun, he is quite pleased. So are we!

The children all had success this year in school. Tow will be graduating from 8th grade—a big event for the family. Next year there will be three in high school and four continuing at Barnard School. The two oldest daughters continue with their English classes at IRIS. This summer they will be attending the IRIS camp for seven weeks with other refugee children. This will be a fantastic way for them to practice English while enjoying some outside fun and games.

So much progress to report, lots of hard work, dedication and heart has gone into this family. They have adapted surprisingly well to life in the US but still have many worries for family left behind and for their future here. We will continue to support them in many ways to help them reach their goal of independence. Onward . . .

## A WELCOME MINISTRY: NAMETAGS!

Would you like to get to know the people who attend First Church? Volunteers are needed to greet people and hand out nametags on Sundays, beginning in the fall. We need people who are willing to distribute and/or collect nametags at Sunday worship. This is a great way to get to know our community! Please email or call the church office if you are interested. Thank you!

(203) 453-5249.

**March on Washington.** Members of the Environmental Ministry Team and Peace, Affirmation, and Justice committee will be attending the **Poor People's Campaign Moral March on Washington on Saturday, June 18, 2022.** For more information, please visit the march webpage: [www.poorpeoplescampaign.org/june18/](http://www.poorpeoplescampaign.org/june18/).

**The Next Belling for Climate** is Monday, July 11, 11 a.m., in front of the church steps. Please join the Environmental Ministry Team and UCC churches all over New England on the 11th day of each month to ring the church bells and to pray, reflect, and raise awareness.

**Guns into Garden Tools presented by Swords to Plowshares Northeast  
Sunday June 26, 11:30 am, Christ Episcopal Church, Guilford. The event is free.**

Turning gun parts into garden tools and jewelry is a hopeful event, with families invited to take part in this creative and peaceful endeavor. "What we're about is transforming weapons into instruments and hope and joy," said Rev. James Curry, co-founder of Swords to Plowshares Northeast.

The Guilford Police Department collected 123 firearms during the department's third annual gun buy-back event in October 2021. "I love this program, taking instruments of death to instruments of life," Guilford resident Kristin Song said via text. That's what we're about," he added. "Breaking the cycle of violence."

The group makes two types of necklaces. One is the one made during the event that can be taken home and enjoyed by attendees, the other is a "high end" piece of jewelry, which is sold to support the work of Swords to Plowshares Northeast.

Onsite will be blacksmithing tools, gloves, safety glasses, and a portable forge. The finished products are donated to schools and community gardens, youth empowerment programs and violence interruption programs. You are invited to participate in making garden tools and a necklace you can take home.

A holy enterprise: "God shall judge between the nations; and they shall beat their swords into ploughshares (garden cutting tool), and spears into pruning hooks (haying tool); nations shall not lift up sword against nations; neither shall they learn war anymore." Isaiah 2:4. War no more. Violence no more. It's a message from God the Creator.

Bishop Jim Curry, co-founder of Swords to Plowshares Northeast and Jonathan Lee

**Social Justice Children's Library Reopens!**

After two years covered over in storage, the Social Justice Children's Library is now open for summer reading. You are invited to bring your children and grandchildren—summer is a perfect "reading time." The collection has over 90 books for preschoolers to teens. Located in an inviting corner of Fellowship Hall where you can browse and check out books, the library is open after Sunday worship and over the summer, June 27 – August 19, from 2:00-6:00 p.m. on Tuesdays and 3:00-6:00 p.m. on Thursdays, as the door will be open during these hours for the music school. Reading to your children or grandchildren is a great family activity. And you may want to read some of the books yourself! As a way for our children to understand the diversity of people in Guilford and the world, the Sanctuary Congregation Team and Christian Education developed the library with categories of African American, Antiracism-One World, Bible Stories-Images of God, Care of the Environment, Children and Teens Speak Out, Global Refugees, LGBTQ, and more.

A list of books identified by category and suggested age of readers is available for reference in the library.

Enjoy summertime reading! – Gini King
