**INSTRUCTIONS:**

Complete at least 15 hours of "additional volunteer service" at **non-PF events**. Credit is given for travel time to & from home for the event.  
Hours must be completed between July 1, 2022 through January 8, 2023.

All volunteer time must be recorded and signed off on this PF form to receive credit. *No credit will be given for undated and/or unsigned hours.*

(Note: If the volunteer supervisor is not available, a parent/guardian may sign to attest that the service was performed)

Volunteer service done to gain credit for another organization, such as "Relay for Life" fund raising, "Boy/Girl Scouts" merit badges or awards, etc., cannot be used towards the 15 hours of "additional volunteer service" PF credit. Hours that you are paid for do not count.

All "additional volunteer service" must be approved by the PF Director prior to doing the service, to be sure you will be given credit.

The deadline for form submittal is Sunday, January 8, 2023 at 9:30 PM (the first regular PF meeting in 2023).
